A PILGRIM'S PRAYER

We are on a path of discovery, striving to discern the best course toward fulfilment and joy. God, our source, we gladly embark on this mystery-filled voyage toward you; guide our prayer.

We are on a path of peace, committed to justice and reconciliation amid uncertainty and doubt. Jesus Christ, our brother, we hear your call; show us the way.

We are on a path of mercy, confident our embrace of the sacredness of all creation will lead to welcome and respect. Holy Spirit, our advocate, we need your passion; strengthen our resolve.

We are pilgrims of hope, seeking to be renewed and reawakened in this Jubilee Year. Holy Trinity, our all, we give thanks for the glories of God's promises and the vast wonders set out before us on the journey to love.
AMEN.
